Page 1 of 1

The screenshot shows the MenStyle.es website interface. At the top, there is a navigation menu with categories: Moda, Viajes, Blogs, Imagen, Coches, Estilo de vida, and Chicas. A search bar is visible with the text 'BUSCAR' and an 'OK' button. The main content area features an article titled 'Viajes Hoteles' with a sub-header 'Asia Gardens Hotel & Thai Spa (Alicante)'. The article includes a large image of a tropical beach scene and text describing the hotel's amenities and location. To the right of the article, there are several smaller article teasers with images and titles, such as 'ALICANTE Achill', 'MADRID Dorsia', 'LA PRIMERA Scarlett Johansson', 'ACTORES Benicio del Toro', and 'AUDI A6 Moderno y con bajo consumo'. The footer of the page contains the MenStyle.es logo, a list of categories (moda, imagen, estilo de vida, viajes, coches, chicas, blogs, foros), legal information (publicidad, condiciones de uso, política de protección de datos), and contact information (CondéNet Ibérica SL, www.condenet.es).
